Inclusion –

At Moorlands Academy we believe in taking the necessary steps to ensure that every young person is given an equality of opportunity to develop socially, to learn and to enjoy community life.

We recognise and value the uniqueness of every young person. They should be encouraged and enabled to discover their own strengths and motivated to develop themselves as fully as possible.

All young people have the right to be accepted, to achieve and be valued for the contribution they make.

We recognise the importance of partnership work with parents, carers and young people themselves. We value the role of parents and carers and are aware of the vital part they play in taking responsibility for their children as learners and citizens.
