Message from Mr Lee

It has been a positive start for the term, the children have worked very hard and there is a calm, purposeful atmosphere around the school. The lovely recent weather has made a difference, it is certainly great for me to see Norfolk in the Spring.

Quite a few parents and guardians have written to me recently asking for permission to go on holiday in term time. There are very strict Government rules that I have to follow about this and unless there are very special circumstances, I have no choice but to refuse permission.

The Year 6 children are working very hard to prepare for their SATs tests in May. They have recently undergone some peer mentoring training, which has had a big impact on their reading skills. We are planning to take this approach with other year groups in the future.
