Dear Parent/Carers

### **Breakfast/After School Club Costs**

As from the 1<sup>st</sup> April 2016, unfortunately we will be having to increase the cost of both the breakfast and after school club sessions.

Breakfast club sessions will be increased to £3.00 per session.

After school club sessions will be as follows:

3.30 - 5.00pm - £4.50 per session

3.30 - 6.00pm - £7.00 per session

Unfortunately we are in a position where we have to implement these increases in order that both sessions can continue to run.

The breakfast and after school clubs do not make a profit and all income is spent on ensuring ensure your children have a positive and enjoyable experience when they are attending these sessions.

Yours faithfully

K Lee  
Head Teacher
