Thursday, 19 May 2016

Dear Parent/carer

On Thursday 23<sup>rd</sup> June 2016 Caterpillars, Ladybirds, Reception and Years 1/2 are having a visit from ZooLab.

ZooLab Rangers help children to get up close and personal with real animals. The children get the chance to see, touch and handle animals, and to understand more. They cover everything from minibeasts and classifications to eco-environments and rainforests, habitats and eco-clubs. ZooLab is about fun and imagination – they take the children on a voyage of discovery, using the drama of storytelling to engage them in all sorts of ways!

Children become active participants as they discover the joy of animals and the joy of learning through animals.

We are asking for a donation of £3.00 to cover the cost of having ZooLab in school which may not go ahead if we don't get enough contributions.

Yours sincerely

EYFS

Year 1/2
