DEN DAY Friday 17th June 2016

Dear parents/carers,

On **Friday 17th June** we are inviting all pupils to build dens for Save the Children's Den Day. It's a fun way for your children to raise funds that will change children's lives, while they learn new skills and important lessons about the world around them.

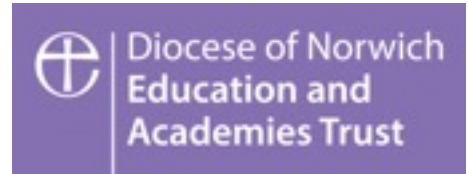

Our pupils will be joining children from around the UK to unleash their imaginations and transforming their classrooms/the playground/the field into amazing dens. We are asking all children who take part to bring in a **£2 donation** which will help Save the Children make life better for children around the world who don't have a safe place to sleep at night.

How to help your den-builders

On the day, we are asking each child taking part to bring in an item from home to help build dens as well as their £2 donation. It could be a cardboard box, a blanket, some clothes pegs, or any other item from around the house which you consider will be useful.

To find out more, visit the event website at denday.org and learn more about Save the Children at savethechildren.org.uk

Den Day will be an amazing adventure for the children – and as well as having lots of educational fun they will be making a big difference to children in some of the world's poorest countries.

We would really appreciate your help to raise money for this great cause and make **Den Day** a lesson your children will always remember!

Children also need to come in in non-school uniform and clothes in which you don't mind getting dirty.

With thanks and best wishes,

Lorraine Manifold
