Snails!

Dear Parent or Carer,

We are excited to welcome your child into Rabbits Class and hope that they are beginning to adjust to the new routines in Year 1 as well as becoming more familiar with us!

As well as new adults to get to know, your child may have mentioned two giant African land snails who have a home in our classroom. The children help to take responsibility for looking after them during the school day and have the opportunity to care for them for an extended period over the weekend and during school holidays.

If your child has never had the pleasure or responsibility of looking after another living thing, you'll be pleased to know that giant African land snails are very easy to look after! If you would like to give your child the chance to look after these fascinating creatures, there is a signing up sheet on the classroom door. A care leaflet always accompanies them on any home visit in case you are in any doubt.

Thanking you in advance from two happy snails!

Best Wishes,

Mrs Thompson & Mrs Murison
