Dear Parents/Guardians,

Tapestry has recently updated its system and now has a brand new look! The new version makes it even easier for you to track your child's progress and add your own observations/comments. The app can still be found in the app store, however your current version may need updating. There is also a new web address and Tapestry can now be found at **www.tapestryjournal.com**

If you have any problems please speak to Miss Ratcliffe or Mrs James.

Yours sincerely

Miss Ratcliffe
