In maths, the children have been learning about shape. They have been learning the names of 2D and 3D shapes and working out how many edges, faces, and vertices each shape has. Some good websites on this topic are:

<http://www.iboard.co.uk/iwb/Guess-the-Hidden-Shape-605>

These website has lots of good maths games related to shape:

The children were amazing in the Christmas performance and we were extremely proud of all of them. They also performed to the upper school which they all enjoyed. A special thank you from KS1 staff and all the children for attending our Christmas decoration afternoon last week, we really loved having you in class and helping our classroom look so lovely.

Thank you to all parents for their kind donations of food for the Christmas party we really appreciate your kindness.

We wish you all a really safe and happy Christmas and fantastic New Year, we return to school on Thursday 5<sup>th</sup> January 2017!
