Message from Mr Lee

Another week has passed, and it is hard to believe that it will be February next week! A big thank you to all the parents who have supported the Book Fair. Not only have our children now got some lovely new books at home but the school will also receive around £200 worth of new books for our library. Fantastic!! Our Year 6 children have been working very hard in preparing for their SATs and this will continue over the coming weeks. Can I also take this opportunity to ask all of our parents to have look at home for any Norfolk School Library Service books (there will be a yellow sticker on the spine of the book). We still have nearly 100 that are outstanding. Many thanks

Library

We are fortunate to have the Norfolk Library Service Mobile Library stop at the school. It is important that this service is used when it is here as otherwise we may lose out. The next visit will be on 8th February 2016.

Fruit Helper

There is now a vacancy for a volunteer helper to distribute our children's fruit on a Monday or Wednesday morning for 10 - 15 minutes. If this is something you could help with please contact Becky Grapes at the school.

Scooters/Bikes

For safety purposes can we please remind all pupils need to walk their scooters/bikes once they enter school premises.

School Premises

For safeguarding reasons we cannot allow parents to walk around the inside of the school when dropping children off in the morning and picking up at the end of the school day. If you require any information or help, please come to the main office.

Invoices

All invoices will now be emailed or sent if we don't have a current up-to-date email address on a monthly basis. Payments can still be made weekly if you prefer.

Parking

Can we please remind all parents and carers that parking is not allowed within school grounds during school hours unless an agreement is in place with the school.

Please remember to park considerably when you are dropping off or picking up children. Not only do we have neighbours to consider, but more importantly, we need to always be mindful of our children's safety. Please do not obstruct people's driveways and the pathways

Milk

Milk is available for every pupil and is free for pupils under 5yrs old. Any parents wishing their child to have milk over 5yrs will be charged £1.10 per week payable on a Friday for the following week.

No Nuts Policy

Just to remind you, we follow a strict 'No Nuts' policy, please ensure your children have a nut free packed lunch and snack when at school. This is due to some children in the school having a severe allergy to nuts.

Breakfast and After School Club

Please ensure your child or children are pre-booked into both clubs. Due to adult to children ratios, this service may not be available if you have not booked.

*****Please make sure you cancel any bookings with at least 24 hours notice otherwise you will still get charged.**

*****If you need to contact either club outside office hours please call 01493 789249.**

Clubs

Premier Sport are running Gymnastics on a Monday 3:30-4:30pm, they are also running a Sports Camp at the school between 13th-17th February 2017 which still has spaces. More details can be found at <http://sport.premier-education.com/> or a copy of their leaflet can be located on our website.

Belton Church

Usually the first Wednesday of every month starting at 6:00 p.m. - 7:30p.m. As the name suggests it is a messy church; a style of service which begins with a shared meal and where adults and children, currently aged between 0-13 years, can discover the bible through crafts and activities. We meet at church where there is parking available.
