

Once upon a Team!

Once upon a time... Hare boasted about how fast she could run and challenged Tortoise to a race. Through haste and overconfidence, Hare ended up losing the race, even though Tortoise was much slower.

Today, the Hare and the Tortoise have learnt from this race and become great friends. They use their different skills together to form a killer team! Hare is now careful never to be too overconfident and Tortoise will always give 100% and get involved.

Everyone is invited to join the team and share in some healthy, happy, holiday fun!

We can't wait for some healthy holiday fun!

WHO'S ON THE TEAM?

Our already successful courses are for boys and girls aged between 5 and 12. There's a huge variety of activities and sports for them to play which means they mix with loads of children of their own age.

It's a fantastic, healthy, way for them to get out of the house. They love being active and of course it's cool being with friends. The usual verdict is 'brilliant!'

GREAT WITH YOUR MATES
