10<sup>th</sup> January 2017

Dear Parent/Carer

As you are aware your child will be taking part in the KS2 SATs tests during the week commencing 8<sup>th</sup> May. We are committed as a school to give your child the best opportunity to achieve their full potential in these tests. Therefore over the coming weeks there will be additional intervention sessions in English and maths for identified children, one of which started this afternoon. Most of these sessions will take place within the school day but some will be in the morning, from 8:15am.

You will receive a personalised letter outlining what additional support your child is being offered later this week, and there is a parents' information evening for all parents about the SATs tests on the afternoon of 7<sup>th</sup> February at 5:30pm.

We have been pleased with all of the children's attitudes so far this year and hope that this additional support will support them to do their very best.

Yours faithfully

K Lee
