Learning

March 2017

February was another eventful month full of fun activities and events. We learned about transport and made a train and a plane for our role play area. We celebrated Valentines and World Book day! The Ladybird room and Reception classes had baby chicks hatch!

Each month we will continue to send a 'Home Learning' sheet out with a range of suggested activities for you to complete. These are completely optional and you can share what you have been up to on Tapestry.
