# Action-Packed Half-Term Fun!

## Hands in the air for half-term shows!

Premier Performing Arts courses have been designed to encourage boys and girls, aged 4\* - 12 to explore a variety of creative art forms such as drama, dance, mask making and puppetry.

Courses give students the chance to experience a performance, during which they can contribute ideas, take risks with their imaginations and grow in confidence with their peers.

**Best of all?** They're stepping up to confidence while doing expressive activities that make them feel cool. Plus it's a great childcare option for busy parents.
