12th July 2017

Dear Parent/Carer

As you are aware the school is having a significant amount of work done to the roof over the summer holidays. Today the scaffolding company started work on preparing for this work, installing scaffold around, in the first instance the dining hall and main school hall. Whilst this should not have any significant impact on the day to day running of the school please be aware of the following;

- From Thursday 13.7.17, breakfast and after school club will need to come to the front office between now and the end of term and dial 111 to ring through to a member of staff
- Could children please not bring bikes and/or scooters to school just until the end of term as access to the bike racks will be restricted
- Access to the rear of the school from the car park will be via the school field
- There will be a restricted number of car parking spaces

We apologise for any inconvenience this may cause in the short term but it will lead to a significant improvement to the fabric of the building for many years to come.

Yours faithfully

J Siddles
Deputy Head Teacher
