21st September 2017

Dear Parents/Carers,

We're very pleased that our school library will be open to our pupils from Monday 25th September. Each class will have a timetabled slot during the week allowing children the opportunity to borrow books to bring home.

We will also be opening the library to parents and their children between **3:20pm** and **4:00pm** on Thursdays, starting **Thursday 28th September**. Please feel free to come along and help your child select a book. There will always be a member of staff available to talk to if you need any guidance about choosing books for your children. We are also very happy to lend books to parents!

We have spent a significant amount of money on new books over the past few months and are trying to keep the number of lost and damaged books down to an absolute minimum. Before your child brings home a library book, please talk to them about how to look after it properly and ensure that it doesn't get lost. Normal wear and tear is, of course, absolutely fine but last year several books were returned that had been covered in fruit juice, chewed by dogs or dropped in puddles! If books are lost or seriously damaged, we will be asking parents for a contribution of **£5** to help cover the cost of replacing them.

Many thanks for your support and we look forward to our children borrowing just as many, if not more books than they did last year!

Yours faithfully

J Biddle
