13th October 2017

Phonics, Literacy & Numeracy	Reminders and Next Week's Learning
<p>Home Learning Sheets will be provided weekly to share the learning which has taken place during that week at school and looks ahead to the following week. It is very important that this letter is read each week.</p> <p>As our learning next week will be around 'woods', try and take some time to explore local woodland this weekend. Any interesting photographs, facts or finds can be shared using Tapestry.</p> <p>In phonics we have begun introducing phonemes (letter sounds). This week we introduced /s/ for snake; /a/ for ant; /t/ for tennis and /p/ for pig. See if you can find these phonemes in your bedtime stories or even try to write them at home.</p> <p>In literacy we read the story 'Farmer Duck' by Martin Waddell. We sequenced pictures from the book and used them to retell the story. See if your child can sequence pictures from one of their favourite stories.</p> <p>During maths we have been naming some shapes and their properties. We have focused on a circle, square, triangle and rectangle/oblong. Go for a shape hunt at home, which shapes can you find?</p> <p>A large proportion of children are finding it difficult to write their name and recognise numbers 0-10. Please practise these key skills with your child.</p>	<p>Next week we will base our learning on 'Woods and The Gruffalo.' If your child has any interesting items related to our weekly topic they can bring them to school on Friday for 'Show and Tell'.</p> <p>After completing our on-entry assessments the children have been given a maths and literacy next step. These will be reviewed weekly and this information will be shared with you so you work with your child to help them achieve their next steps in school.</p> <p>The children will continue with their P.E lessons on Tuesday. We completed a full change this week and will do so again next week. Practise getting changed with your child as this is a key skill that helps your child become independent. Make sure earrings are not worn on this day to keep your child safe.</p> <p>Please ensure your child has a coat in school at all times as the weather is beginning to turn cold.</p> <p>Unfortunately some items of clothing are going missing. ALL clothing must be named including coats and shoes. Hand written labels will only last for a short period of time; printed or embroidered name labels are much clearer and will last longer.</p> <p>All children must have a book bag in school to help take home letters, work and their belongings. We will also begin sending home reading books next week.</p>

Well done to all the children for finding lots of shapes around the school this week!
