5<sup>th</sup> October 2017

Dear Parents & Carers,

### Viral gastroenteritis

We have identified that a number of children at the school are off ill at the present time with symptoms of vomiting and/or diarrhoea. The symptoms are suggestive of viral or norovirus gastroenteritis.

The numbers are larger than would normally be expected, so after discussion with the local Health Protection Team, we are writing to provide you with advice and an information sheet.

If a child or staff member is affected with these symptoms we would like to reiterate to parents, carers and staff members that they should remain at home until they have been **symptom free for 48 hours**. This advice should be strictly adhered to for the general health and well-being of the whole school community.

We would like to thank you for your co-operation in this matter.

Yours sincerely

Kevin Lee  
Headteacher
