3rd November 2017

Dear Parents and Carers,

Remembrance Collage

On Friday 10th November, we will be having our annual Remembrance Service at All Saints Church. As part of our preparations, the children may have asked you if you have a photograph of a member of your family who served in some way in the armed forces. This can be during the two world wars or any time until present day. It would also include war work, such as the WRVS or the Women's Land Army. The idea is to make a collage of these people to display in the church and school.

If you have a photograph, you can either copy the original and send it in, or the children can bring in the original, which we will scan and return to you. Some of the photographs that have come in already contain stories and information about the people. This is lovely to read too.

We strongly believe in the importance of Remembrance and we hope that the collage will have a real impact on the children's understanding.

Many thanks for your help.

Yours faithfully

K Lee
Head Teacher
