Learning

Hedgehogs

In English this week the children have been learning to identify and use verbs, identifying and using compound words, using suffixes to change the meaning of words and joining sentences using the words 'that, if because and when'.

In maths this week the children have been learning to divide numbers by sharing, dividing by grouping and also by repeated division using a number line. They applied this to real life problems.

Squirrels

This week in English, the children have been planning their own version of Jack and the beanstalk. They described a magical plant that Jack climbed up.

This week in maths, the children have been playing different maths themed board games. They had to think about the methods they needed to help play the maths games.

Rabbits

The children continued to practice writing instructions in English. They began the week by following instructions to make fruit kebabs which they shared with their Year 5 Reading Buddy. Later in the week, they wrote a set of instructions and followed them to make a cheese and cress sandwich, using the cress they grew as part of their topic work.

The children continued to work on multiplication and division in maths. They used their knowledge of the 2, 5 and 10 times tables to solve one-step 'real life' word problems

E.g. If you have 10 sweets and share them equally between two children, how many will each have?
They also consolidated their knowledge of doubles and halves.

TOPIC learning: This week the children have been learning to paint sunflowers based on the famous painting by Van Gogh. Also, the children observed, drew and wrote about the changes that had occurred with the seeds they had planted and learnt about the life cycle of a plant.

Dates for KS1

Wednesday 4th July 2018. All the children in KS1 will be visiting the 'Time and Tide' museum to take part in the 'Seaside Rocks' experience. They will need to wear school uniform and have their own packed lunch. Please see the letter for further information.

Other information

Please could you ensure that when your child reads at home and finishes the book, you record this in the reading record book so that the book can be changed. Thank you for your continued support.

Well done to all the Year 2 children who have worked extremely hard to complete all their KS1 assessments. Enjoy your holiday and have a well-deserved rest and we will see you back for the new half term on Monday 4th June.
