5<sup>th</sup> February 2019

Dear Parent/Carer,

With only a couple of months until the Y6 SATs the school is now able to provide some additional support in the run up to the tests. Several groups of children have already been identified as benefiting from additional support during the school day and these sessions are now underway.

In addition to this, beginning after half term, there will be two morning sessions that will be open to any Y6 pupil. These will run on Tuesday and Thursday mornings from 8:10. The sessions will focus on maths on Tuesdays and reading on Thursdays and will help prepare children through practicing the types of questions that will be in the SATs papers.

The school has also arranged to provide any parents who wish to purchase them a set of SATs practice workbooks at a heavily discounted rate. They would retail at a total cost of £12.00 but the school is able to offer them for only £3.00. This is due to the school purchasing them directly and also subsidising the overall cost.

Finally there will be a SATs information session for parents which will take place on Thursday 14<sup>th</sup> February at 9:00. This will be to inform parents of the form the SATs will take with some example papers, the timetable and also what parents can do to help support their children at home.

We hope that all of these actions will help your child over the next couple of months. In order that we can plan for these things please complete the slip below indicating which of the support you will be taking up. You can also complete this slip using the app by clicking on the 'Forms and Letters' tile.

Yours faithfully,

K Lee  
Head Teacher
