23<sup>rd</sup> September 2019

Dear Parents,

Now that the academic year has started, it has become apparent that our two small Reception classes would be far better off operating as one. The classes run together as a unit for the majority of the day as it is, so this change should cause very little disruption to the children. However, we will speak to the children about this change through assemblies and circle times in order to prepare them.

Mr Snelling will take on the responsibility as class teacher for this new class, which we are renaming 'Robins.' Everything else will remain the same, including start and end of day arrangements however there may be some minor changes to the classroom in the next few weeks. Mrs Pacek will maintain contact with the children in reception but will be working elsewhere in the school for the majority of the week.

Any questions, please speak to any member of Reception staff or the school office.

Thank you for your continued support.

Yours faithfully

K Lee  
Head Teacher
