21st January 2020

Dear Parent/Carer

Several parents and children have expressed a desire to do something to support both the people and animals who are suffering currently in Australia as a result of the horrific bush fires, especially as the 26th January is Australia Day.

A vital part of the primary curriculum is developing a knowledge and understanding of the wider world and by doing this we are helping children to understand a little more about their place in the world, and also to understand that events such as this can have global significance. Mr Lee has also spoken to the children in assembly to help them to understand some of the issues that this disaster has raised.

We are therefore going to have a non-uniform day this Friday, 24th January, and are inviting children, if they wish, to donate either 50p or £1. All money raised will be split between Red Cross Australia and WWF Australia.

Many thanks for your support.

K Lee
Head Teacher
