21st October 2020

Dear Parents and Carers,

As the first half-term comes to a close, I wanted to write to say thank you for your continued support since September and also to pay tribute to the dedication and hard work of our staff team.

We all know that the last weeks and months have been anything but easy for all of us, we have all faced unexpected challenges both personally and professionally. I know that many of you were understandably concerned about the children returning to school, but I hope you have all felt that this half-term has gone very well on the whole. The fact is that the children have been fantastic and have adapted to the changes around the school brilliantly. Of course, it is also the case that it is not the same and whilst we are doing our very best, there are both limits on what we can do and some things which we would normally do that we can't.

However, we have focused on keeping everybody safe and offering a warm welcoming environment to the children. At the same time, we have also focused on a recovery curriculum to support the children and found new and innovative ways of working. Since the start of term, for example, we have undertaken collective worship on Zoom and this has been a real success.

I hope that you all stay safe and well over half term and we look forward to welcoming the children back to school on 2nd November 2020.

Yours faithfully

Mr Lee
Head Teacher
