

For example, this week, we have four staff who are absent. Where this is the case we will try to keep disruption to a minimum.

Finally, can I remind you that it is your responsibility to ensure that your children access and undertake the work that they are set. We do monitor who is accessing the work and where we haven't heard from somebody, we will make contact to find out what the issues are and see if we can do anything more to help. Please do let the school know if you are having any difficulties in accessing these learning platforms, or if you are struggling to support/motivate your children to learn at home and we'll do everything we can to help you.

Once again, a massive thank you from all of us for your continued support and dedication, these are the times that will define us as a community. We will get through this and life will return to normal.

Look after each other and keep safe.

Best wishes
