### Both Schools

**Wear Purple on Friday 31st March**

*Friday will be an Easter non uniform day and children are challenged to see if they can wear something purple (the colour of Easter). It could be anything from socks to a hair band. If you do not have anything, just any non uniform will do!*

### Food Donations

*We would like children to see if they can bring a donation for their local food bank with them to school on **Friday 31st March**. The challenge is to fill the donations basket at the front office of each school.*

### Sunflower Challenge

*All children will be coming home with a sunflower to grow at home. There will be a prize for the tallest sunflower later in the summer term, so look after it carefully!*
